17.00	Wencel	Delić	Panti	Kisielewicz	Nehi
17.20	Leonesi	Nurakunov	Lyaletsky	Denisov	Baaz

All rooms where the contributed papers sessions will be held, are equipped with an overhead projector, but there is no blackboard (only small whiteboards). Therefore we recommend using slides (transparencies).

Each talk should be about 15 minutes long, so that enough time is left for questions and for allowing people to move from one room to another.
